Master of Data Science

National Research University – Higher School of Economics

Degree or qualification is awarded: **Master in Data Science**

Language of study: **English**
Mode of study: **distance learning**
Duration: **2 years**
Availability of free education: **no**
Price: **1 350 000 RUB for the full course of study**

Programme webpage at the university website: https://www.hse.ru/en/ma/mds

Programme curator: **Vladimir V. Podolskii**
Tel.:
E-mail: vpodolskii@hse.ru

Russia's first English-taught Master's programme which is implemented entirely online on Coursera learning platform. This programme aims to train highly qualified specialists in data science, who are able to solve data analysis problems, work with machine learning models and data collection infrastructures, develop effective problem-solving algorithms, and conduct research in areas connected with data analysis. The programme is distinguished by its emphasis on hands-on, project-based training.

Specializations within this programme
