Programme Focus:

Master of Laws is a highly qualified professional; he or she plays a leading role in the development of the Russian economy and law, in shaping the development path and driving the organization's resources to achieve the goals! The programme is aimed primarily at improving lawyers' qualification for representing the interests of a client in dispute resolution in the court of general jurisdiction, arbitration court, international commercial arbitration, mediation procedure.

Programme advantages:

We have reached the best balance of theoretical and practical knowledge and skills required by a successful modern lawyer. In the market economy, the graduates of Institute of Law are sought after and in-demand specialists whose work and ability are adequately paid in the labour market.

Graduates of not only Russian universities, but also from CIS and non-CIS states can enter the Master's programme on "Civil process, Arbitration process".

Graduates' expertise and career opportunities

The Master's programme is practically oriented. Master students are trained to work in Russian, foreign and international companies in economic sector or providing various legal services, including the opportunity to participate in the dispute consideration and resolution.

Graduates, having a high level of knowledge, skills and practical experience, are in sufficient demand in the labour market; they work in the most famous Russian and international companies and law firms, such as Clifford Chance, Dechert, EPA&P, Leroy Merlin etc.
