The summer school aims at forming Russian language proficiency including both communicative and socio-cultural competences. These skills facilitate communication with native speakers and ease everyday life in Russian-speaking countries.

SUMMER SCHOOL PROGRAM

The camp combines four intensive parts:

- Vocabulary and Rhetoric
- Speaking, listening, writing and reading

Cultural insight

Excursions and tours around St. Petersburg

- Module “Saint Petersburg text”
Phenomenon the city in literature

- QR-Quest “QRnonerka Island Quest”

Available for English-speaking students who start learning Russian language.

In the end of the course, all students are expected to present a final project.
