

Motion control, spaceflight dynamics, navigation

Moscow Institute of Physics and Technology (National Research University)

Language of study:

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **295 000.00 Rub per year**

Programme curator: **Yaroslav Savyolov**

Tel.: **+7 (498) 713 91 70**

E-mail: interadmission@phystech.edu

Programme Director: Chernousko Felix

Chair: Chair of Mechanics and Control Processes

Description:

Training under the programme is provided at the largest state-owned enterprises of the defence industry complex and institutes of the Academy of Sciences. In addition, training is provided for a number of large commercial entities conducting R&D in areas related to the development of space technology, security and earth sciences, mechanics, energy and control processes and other knowledge-intensive technologies.

Specializations within this programme
