The online course on elementary Russian has been developed for international enrollees and students from countries across the former Soviet Union and beyond.

The course allows learning Russian from scratch. It provides a detailed description of the Russian phonetics for beginners: pronunciation of sounds, reading rules, stress.

The online course consists of a series of video lectures, practical tasks, training simulators and additional materials such as lecture notes, dictionaries. It will allow an attendee to easily master Russian phonetics, lexis and grammar on the elementary level (A1).

The attendees who successfully complete the course will receive a certificate from Tomsk Polytechnic University and the Stepik platform.
