

Technological Equipment Engineering

National University of Science and Technology MISIS

Degree or qualification is awarded: **Bachelor's Diploma in Technological Machinery and Equipment**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **209 000 rubles/year**

Programme webpage at the university website:

Programme curator: **Sergey Gorbatyuk**

Tel.: **+7 (499) 230-27-07**

E-mail: gorbatuksm@misis.ru, welcome@misis.ru

Professionals in the sphere of equipment and technology engineering are one of the drivers of technological revolution because it is them who design cutting-edge machinery for industrial manufacturing in digital economy. The program equips the graduates with the wide range of practical skills and theoretical knowledge to track and maintain innovative manufacturing machinery during the whole production cycle, from idea generation and realization to thorough examination of the equipment and risk analysis.
