

Technology Management in Ferrous Metallurgy

National University of Science and Technology MISIS

Language of study: **Russian**

Mode of study: **extramural**

Duration: **2 years**

Availability of free education: **yes**

Price: **166 400 rubles/per year (by correspondence)**

Programme curator: **Alexander Semin**

Tel.: **+7 499 236-82-17**

E-mail: asemin2007@yandex.ru

The graduates are able to develop and manage steel, alloy and ferrous alloy manufacturing processes; design process flow diagrams, simulate technological processes, and manage teams.

Specializations within this programme

Technology management in ferrous metallurgy
