Tomsk Polytechnic University was the first engineering school in Russia's Siberia and the Far East to open doors in 1896. Today, TPU has the status of a national research university and is among the best world university by the QS World University Rankings and is in the top-10 of technical universities in Russia.

TPU today is about 12300 students, 28% of them are international. The university offers over 60 areas of bachelor, master, and specialist degree programs. There are 7 Double Degree programs, 12 network programs with universities in the UK, Germany, Czech Republic, and Kazakhstan. Academic mobility programs link TPU with 90 universities in 30 countries.

TPU graduates are in high demand in Russian and abroad. According to statistics, every year, TPU graduates receive 1.7 applications from employers, for some programs it is 3-4 applications.

## Les succès des étudiants

## Les partenaires internationaux

## Les Olympiades

[International Competition "Your First Success"](#)

**Deadline for application and task completion is April 20, 2020**

Open to international newcomers who plan to enrol first in a pre-training program and then register for a bachelor's or master's program taught in the Russian language.

## **La faculté préparatoire pour les étrangers**

### **Le soutien des étudiants internationaux**

TPU has a special orientation programme for international students, which helps them quickly get accustomed to the university and the city.

Upon arrival at the airport or train station, new students receive help to settle in the dormitory, arrange a health insurance policy and required migration documents, connect to the Internet, get a SIM card, open a bank account, etc.

Excursion programmes and consultations on various issues are provided.

### **La vie quotidienne des étudiants internationaux**

TPU has 13 dormitories (sectional and central corridor types). Students live in comfortable rooms with 2-3 people in each. They come with all the necessary facilities (bed, writing desk, wardrobe, bedside cabinet). On each floor of the dormitory there is a classroom, laundry and kitchen.

There are rooms with a TV set, refrigerator, microwave and electric kettle.

In the dormitories there are also membership clubs and gyms. Students are assisted by tutors, administrators, and representatives of student government bodies. The buildings have 24-hour security. Canteens, snack bars and cafes are available in the TPU dormitories, as well nearby.

### **Les événements sociaux et sportifs**

Gyms in the dormitories, sports grounds on the campus and Polytechnic Stadium are open to TPU students.

2-3 sporting events in various kinds of sports (football, volleyball, basketball, darts, arm wrestling, ski races, ping pong, badminton, chess, go and others) are organised on a monthly basis.

In addition, several sports associations have been created at TPU. Basketball, football, badminton, chess, ping pong and sport dance teams run in the Sparta Club. A rock climbing and mountaineering club, delta club, scuba diving club and tourist sports club are also available.

### **Emplois pour les diplômés internationaux**

TPU graduates work in leading Russian and foreign companies, including Vietsovpetro and FPT Industrial.
