I.M. Sechenov First Moscow State Medical University is a co-founder of the Russian-Chinese Association of Medical Universities (RCAMU).

La faculté préparatoire pour les étrangers

Le soutien des étudiants internationaux

The University has a tutoring institute for international students, a system of tutoring by senior students "Graduates – for those who continue education".

Since 2013, an annual seminar is held for graduates on the procedures of obtaining a medical license and a right to engage in medical practice (USMLE Exams, Medical Post Graduation Training), Inder P. Pakhal (USA). Migration Department provides advisory assistance in preparation of employment documents.

La vie quotidienne des étudiants internationaux

The University dormitories provided for accommodation of international students were renovated in 2014-2015. There are 2 or 3-bed rooms. Wi-Fi is available. The dormitories are within 3-10 minutes from the main educational facilities of the University.

Les événements sociaux et sportifs

The University provides rich cultural and sports opportunities: student clubs, dozens of sports clubs, a youth theater, a choir, a volunteer center. Annually the University holds a student ball (dancing party), a beauty contest “Miss First MSMU”, a talent contest, sports competitions and other events. The University has its own Central Scientific Medical Library, Museum of the History of Medicine, stadium (multi-purpose sports complex with a swimming pool), student health camp on the Black Sea coast, botanical garden, and vivarium.
