The Higher School of Economics is a national research university located in Moscow with branches in St. Petersburg, Perm and Nizhny Novgorod. HSE offers a wide range of educational programmes from Bachelor's and Master's Programmes to MBA, DBA and vocational professional education.

The fundamental nature of the education provided at HSE and the opportunity to take part in academic projects and research alongside with distinguished academics from Russia and around the world enables HSE graduates to achieve professional success even from their first year of studies.

The Higher School of Economics was the first Russian state university to hire foreign lecturers. Today over 100 lecturers from 25 countries work at the university.

HSE students regularly complete internships at leading international companies. The school's Career Development Centre provides career advice and support, while every year the business incubator holds a competition for start-ups, one of the largest in Russia.

## **Support of foreign students**

The HSE Directorate for Cooperation with the CIS and Baltic Countries provides support to the students from neighbouring countries, while the International Student Recruitment Centre supports students from countries further abroad. Employees of these departments help with documents required for admission and resolve administrative and everyday issues.

International students at the Higher School of Economics quickly adapt to life in Russia, thanks to the student organisation HSE Buddies. It organises meetings, trips, excursions and other events contributing to cultural exchange and the formation of a single international community of HSE students.

## **Everyday life of foreign students**

All international students at HSE are provided rooms in the school's dormitories. In Moscow, these are generally buildings in the city centre within 30 minutes travel by public transport from the main university buildings. The dormitories are equipped with all necessary appliances (separate bathroom, kitchen, refrigerator, furniture) including free Internet access.

## **Leisure and sport events**

Students of the Higher School of Economics lead active and rich lives outside their studies. At the university there are over 50 associations including singing, drawing and dance schools, KVN team, theatre, choirs, debating clubs, sports clubs, travel clubs and many more.

## **Employment of foreign graduates**

Graduates of HSE work at international public organisations as well as at global companies such as Ernst&Young, PricewaterhouseCoopers, Deloitte, PepsiCo, Accenture, Citi, L'Oreal, McKinsey&Company, IBM, Google, KPMG and Microsoft.
